

2026 Price List For Optional Planting Services:
CANADIAN DOLLARS

Dear Customer;

Please complete and return the lower portion of this Service Order Form with payment before May 8 2026 (please do not mail cash). While planting does not commence until after May 25 2026, we require your payment on time so that we can process all orders in time for planting. Orders received by May 8 2026 should be planted by June 12 2026, weather permitting. Late orders are subject to a \$15.82/garden surcharge and scheduled for planting after all other garden work has been completed but before June 30 2026. Each garden will be watered, weeded, and fertilized throughout June, July and August. Flowers may be removed following damaging frost or after October 12 2026. We are unable to offer guaranteed planting dates for a specific lot, or for unveilings while we are in the planting process. Garden styles are subject to change without prior notice where supply of nursery stock, or site conditions require such change. We regret Non Blooming Gardens are no longer available. We do not offer customized selection of flowers.
